Reference is made to the announcement of the Company dated September 4, 2023 in relation to, among other things, the proposed amendments to the Articles of Association.

On February 17, 2023, the State Council of the PRC promulgated the Decision of the State Council on Abolishing Certain Administrative Regulations and Documents (the “Decision”), and abolished the Special Provisions of the State Council on the Overseas Offering and Listing of Shares by Joint Stock Limited Companies promulgated by the State Council on August 4, 1994. On February 17, 2023, China Securities Regulator Commission (the “CSRC”) promulgated the Trial Measures for the Administration of Overseas Issuance and Listing of Securities by Domestic Enterprises (the “Trial Measures”) and relevant guidelines, and abolished the Notice on Implementation of the Mandatory Provisions of the Articles of Association of Companies Listed Overseas (the “Mandatory Provisions”). The Decision and the Trial Measures shall come into effect on March 31, 2023 (the “Effective Date”). From the effective date of the Decision and the Trial Measures, the PRC issuers should formulate their articles of association with reference to the Guidelines for the Articles of Association of Listed Companies, rather than the Mandatory Provisions.

In view of the above changes in PRC regulations, the Hong Kong Stock Exchange also issued the consultation document on the Proposed Amendments to the Listing Rules and Other Provisions Relating to the PRC Issuers under the New Regulator Regulations in Mainland China (the “Consultation Document”) on February 24, 2023, which sets out the corresponding amendments to the Listing Rules. On July 21, 2023, the Hong Kong Stock Exchange issued the summary of the Consultation Document on Amendments to the Listing Rules, and the amended Listing Rules took effect on August 1, 2023. Specifically, the Hong Kong Stock Exchange has made amendments to corresponding rules to (i) remove the class meeting and related requirements relating to the issuance of new shares by the PRC issuers; (ii) abolish Appendix 13D of the Listing Rules, which requires the articles of association of the PRC issuers must include the Mandatory Provisions and other incidental regulations; (iii) amend Chapter 9 and Chapter 19A of the Listing Rules to reflect the CSRC’s filing system; (iv) delete the arbitration clause in relation to H Shareholders’ disputes under the mandatory clauses; and (v) amend other contents of the Listing Rules to resolve issues arising from treating Domestic Shares and H shares as different classes. In view of this, the Company intends to amend its existing articles of association to comply with the requirements of the Listing Rules and applicable PRC laws and regulations. For details of the comparison table of the proposed amendments to the Articles of Association, please refer to Appendix II to this circular.

The amended Articles of Association will become effective upon consideration and approval at the EGM and the Class Meetings, prior to which the Company applies the current Articles of Association in force.

In addition, the Board proposes to the EGM and the Class Meetings to authorize any one Director to modify the orderings of such proposed amendments as he/she thinks appropriate (such modification will not be required to be approved by the Shareholders) and sign all such documents and/or do all such acts as the Director may, in his/her absolute discretion, deem necessary or expedient and in the interest of the Company to deal with related matters arising from the proposed amendments.

Special resolutions will be proposed at the EGM and the Class Meetings to consider and approve the proposed amendments to the Articles of Association.

A C

Given that the Company proposes to amend its existing Articles of Association, the Company also proposes to make corresponding amendments to the Rules of Procedures for General Meetings, the Rules of Procedures for Board Meetings and the Rules of Procedures for Meetings of the Supervisor Committee (the **Articles of Association and Rules of Procedures**). For details of the comparison table of the proposed Amendments to the Rules of Procedures, please refer to Appendix III to Appendix V to this circular.

The amended Rules of Procedures for General Meetings, Rules of Procedures for Board Meetings and the Rules of Procedures for Meetings of the Supervisor Committee will become effective upon consideration and approval at the EGM and the Class Meetings, prior to which the Company applies the current Rules of Procedures for General Meetings, Rules of Procedures for Board Meetings and the Rules of Procedures for Meetings of the Supervisor Committee in force. The Company proposes to the general meeting to authorize the Board to make corresponding amendments to the Rules of Procedures for General Meetings, the Rules of Procedures for Board Meetings and the Rules of Procedures for Meetings of the Supervisor Committee according to the final amendments to the Articles of Association adopted by the Company.
