3 BUSINESS REVIEW AND OUTLOOK

3.1 Business Review

In 2025, with the continuous geopolitical conflicts around the world and the significant increase in competition and uncertainty of the external environment, the domestic medical industry has entered a critical phase. In the face of the reform of medical insurance payment as further promoted, the industry competition landscape has continuously restructured, and the social medical service has accelerated to transform into standardization and specialization. Facing this situation, the company will continue to adhere to the "people-oriented" strategy, focusing on the core business, and strengthening the strategic growth areas, targeting quality and efficiency improvement, enhancing operations, and stabilizing the company's management, business development, risk prevention and control, and long-term development, and the overall business stability during the reporting period.

During the reporting period, the group's total revenue of RMB1,619.8 million, an increase of 2.1% as compared to 2024. Among them, the revenue from operating hospitals amounted to RMB1,448.7 million, an increase of 4.6% as compared to 2024. During the reporting period, the group's net profit attributable to Shareholders of the Company amounted to RMB54.4 million, an increase of 17.1% as compared to 2024. As of December 31, 2025, the group has 34 operating hospitals (December 31, 2024: 32), including an independent stable shareholder hospital (including the hospital), and the number of operating beds reached 11,508 (December 31, 2024: 11,508).

Psychiatric Healthcare Business

Revenue declined under pressure but overall operation stable and controllable

In 2025, under the combination of multiple factors such as the normalization of medical insurance cost control and the rising labor cost of medical staff, the revenue from the group's psychiatric healthcare business has declined as compared to the same period last year, and the profitability of the business is under obvious pressure. However, with the increasing demand for psychiatric healthcare, the company's mature specialization operation capabilities and good regional brand advantages, the company actively deepens the impact through standardization operation, differentiated positioning, and refined management and cost reduction, the efficiency has improved. The overall operation of the psychiatric healthcare business is stable, and its core fundamentals are stable.

3.2 Business Highlights

In 2025, guided by an innovation-driven approach, the Group deepened the coordinated development along various industries, and achieved a number of accomplishments in the fields of digital transformation, discipline construction and scientific research innovation, and industrial upgrading, which further enhanced its core competitiveness, and overall presented a sound development trend of "stabilizing foundation, fostering growth drivers, strengthening barriers and optimizing structure".

In the field of digital transformation, the Group promoted high-quality development through digital empowerment, comprehensively upgraded the digitalization of Hospital Information System, electronic medical records and the healthcare and support systems, and promoted the digital drug traceability code, and launched the pilot application of AI medical records rating and quality control systems and medical insurance intelligent supervision systems, significantly enhancing the information infrastructure's capabilities in supporting efficient operations and comprehensive management.

In the field of discipline construction and scientific research innovation, the Group was approved for 3 projects under Zhejiang Province's Top Scholars (尖兵) leading team (领军) and "R&D Breakthrough Program"; the company's attention on scientific practice and innovation in Zhejiang Province, the 22 national diagnosis and treatment technology/projects were added, 45 SCI papers were published, and 1 international patent was granted throughout the year.

In the field of industrial upgrading, Zhejiang Diermae Pharmaceutical Co., Ltd., a subsidiary of the Group, was awarded as a Zhejiang Province Special and Sophisticated Enterprises and a "Leading Enterprises" in the industry, successively achieved along Zhejiang Dening Pharmaceutical Co., Ltd. and Zhejiang Dening Pharmaceutical Co., Ltd., both being our subsidiaries, and other industrial sectors, gradually building a diversified support system in the pharmaceutical industry, information, psychology services, and forming a network of industrial mutual promotion of the healthcare sector and the industry.

3.3 Business Outlook

The Group's financial position and operating results are mainly subject to the following risks:

- (i) Risk relating to high reimbursement amount from public medical insurance. From 2023 to 2025, reimbursement amount from public medical insurance accounted for more than 50% of the cash received from sales of goods and rendering of service for the respective years. If the Group's healthcare facilities are unable to maintain the of designated medical insurance institutions in the future, or there are adverse changes on the national public medical insurance policy and scope of treatment of certain diseases and general treatment, the Group's operating results will be affected adversely;
- (ii) Risk relating to shortage of professional medical talents. Under the laws and regulations of the PRC, healthcare facilities shall maintain a certain number of medical staff. With the increase in the number of healthcare facilities of the Group, we are unable to recruit or maintain adequate medical staff, especially face difficulties to provide patients with the desired medical services, which in turn adversely affect our operating results; and
- (iii) Risk relating to failure to obtain qualifications and licenses required for our operations. Healthcare facilities are required to obtain the medical practice licenses for carrying out their businesses, which usually has a valid period and requires regular inspections by the regulator authorities. If the healthcare facilities of the Group are unable to obtain the licenses in the future due to poor management or non-compliant operation, our operating results will be affected adversely.

Prospect

In 2026, although the uncertainties in the global economy, and normal and predictable domestic medical insurance and healthcare industry competition continue in the short term, the continuous change of public health affairs and the constant deepening of population aging in China are a foundation for the long-term growth and the psychometric healthcare and other healthcare businesses. Meanwhile, the development of social healthcare is obvious in adhering to high standards, specialization, and brand concentration. Being the first year of the 15th Five-Year Plan, 2026 is an important year for the Group's transformation and development strategy, and the Group adheres to the general principle of seeking progress while maintaining stability, and making breakthroughs in innovation, and accelerating the transformation of its development model from scale expansion to connotation improvement and efficient operation. The Group continues to uphold the core values of being sincere and serving the humanistic spirit, staying true to the essence of healthcare services, and pursuing the development of Specialization and Innovation, Quality Improvement and Efficiency Enhancement. Being a leading artificial intelligence healthcare operation, the Group sees the development opportunities arising from the introduction of psychometric healthcare and other healthcare, and further its sponsorship as a medical practice for the better and healthier healthcare services to create long-term stable value for shareholders.

The proposed Final Dividend is denominated and declared in RMB, payable in RMB to holders of Domestic Shares and in USD to holders of Shares. The exchange rate for the proposed Final Dividend payable in USD is the average of the benchmark exchange rates of USD against RMB as announced by the People's Bank of China for the five business days prior to the date of declaration of the proposed Final Dividend (i.e. the date of the annual general meeting of the Company). The proposed distribution of profit for the year 2025 is subject to the consolidated report and approval of the Company at the AGM of the Company.

Subject to the approval of the proposed Final Dividend by the Shareholders at the forthcoming AGM, it is expected that the payment date of the proposed Final Dividend will be no later than July 8, 2026. The Company announces in due course the date of the AGM and the terms of the closure of the register of members of the Shares for the purpose of determining the list of Shareholders entitled to attend and vote at the AGM and to qualify for the proposed Final Dividend.

Pursuant to the Enterprise Income Tax Law of the People's Republic of China and its implementing regulations, which came into effect on January 1, 2008, the Company is required to withhold and pay on behalf of the Shareholders of non-resident enterprises whose names appear on the register of members of the Company's H-share holders the enterprise income tax at a rate of 10% on the distribution of cash dividends. Any Shares registered in the name of non-resident Shareholders (including in the name of Hong Kong Special Administrative Region Company (including subsidiary), other non-residents, agents or trustees or other organizations or bodies) are regarded as Shares held by non-resident enterprise Shareholders. Accordingly, dividends payable to such Shareholders are subject to withholding corporate income tax. If Shareholders wish to change their status as Shareholders, please contact the non-resident or trustee for the relevant procedures. The Company will withhold corporate income tax on behalf of the relevant Shareholders whose names appear on the register of members of the Shares on the record date in strict accordance with the law or as required by the relevant government authorities.

If the dividend holders of Shares are residents of any country or countries which have entered into the relevant tax agreement with the IRC in respect of the distribution of cash dividends to them at a rate of 10%, the Company shall pay a dividend to the dividend holders at a rate of 10% on behalf of the relevant Shareholders. If an individual holder of Shares is a resident of a country which has entered into a tax agreement with the IRC at a tax rate other than 10% on dividends, the Company shall pay a dividend to the dividend holder at a rate of 10% on behalf of the relevant Shareholder. In such cases, if the relevant individual holder of Shares wishes to apply for a refund of the excess tax withheld as a result of the application of the 10% tax rate, the Company may process the application on behalf of the relevant individual holder in accordance with the relevant pre-emptive tax agreement, provided that the relevant Shareholder submits to Computershare Hong Kong Investor Services Ltd the supporting information as used by the notice of the tax agreement. Upon approval by the competent tax authorities, the Company shall assist in funding the excess tax withheld. If an individual holder of Shares is a resident of a country which has entered into a tax agreement with the IRC that a dividend tax rate higher than 10% but not more than 20%, the Company shall withhold and pay on behalf of the dividend holder at the effective tax rate under the relevant tax agreement. If the individual holder of Shares is a resident of a country that has entered into a tax agreement with the IRC that a dividend tax rate of 20%, or a resident of a country in which the IRC has not entered into a tax agreement, or others, the Company shall withhold and pay a dividend to the dividend holder at the rate of 20%.
